

FULL DAY TRIP IN VIENTIANE

Morning: After breakfast, we start visiting the major sights of the capital, including the Wat Sisaket, the oldest temple with thousands of miniature Buddha statues and the former royal temple of Wat Prakeo, which previously housed the famous Emerald Buddha Image.

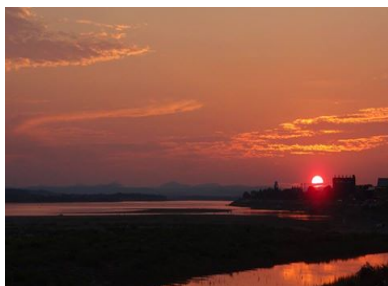

Allow for at least 30 minutes to an hour at the COPE Visitor Centre to learn about the devastating US bombing campaign on the country, the current problem with UXO contamination and how this organisation is helping survivors or anyone with disabilities with prosthetics and rehabilitation. A visit to the COPE centre is an absolute must while in Vientiane.

Pedal up Lane Xang and stop for a photo op at Patuxai. Climb up Vientiane's own Arc de Triomphe for a great view of the city. Roll along to That Luang stupa, the gleaming golden symbol of Laos, and one of the country's most important cultural sights.

After lunch, visit Buddha Park which is a sculpture park located 25 km southeast from Vientiane. The park contains over 200 Hindu and Buddhist statues.

Then enjoy a stroll along the Mekong River at sunset.

Tour end.
